Memories

Light the corners of my mind

Misty water-color memories

Of the way we were

Scattered pictures

Of the smiles we left behind

Smiles we gave to one another

(Yesterday) for the way we were

Can it be that it was all so simple then

Or has time rewritten every line

If we had the chance to do it all again

Tell me how many of you would live your lives again

I would too

You girls?

Memories

May be beautiful and yet

What's too painful to remember

We simply choose to forget

And so it's the laughter

We will remember

Whenever we remember

The way we were

The way we were
