Spoken:

You know baby  
I'm so happy to be here you and I  
And I just wanna let you know  
that I'd follow you to the end of the world  
Just to show you know that I care  
And I want you to know that  
If you need me I'll always be there

Dancin' close feelin' restless  
It's a slow sultry night  
it'll take a lifetime til sunrise  
If you won't stay with me tonight  
Feel your breath caress my shoulder  
as your heart reads my mind  
you don't have to tell me anything  
I can see everything in your eyes

It's so easy with you  
I don't need an excuse to be the woman in me  
It's so hard to believe that I'm feeling so free to be the  
woman in me  
Baby there's so much no man has ever touched of the  
woman in me

Spoken:

I love you baby oh...

I might be trembling,  
but I'm not scared  
just my desire breaking free  
I've never had a chance like this before  
to unlock all the doors to the woman in me

It's so easy with you  
I don't need an excuse to be the woman in me  
It's so hard to believe that I'm feeling so free  
to be the woman in me

Like the dark side of the full moon  
I've never shown what I'vem showing to you

It's so easy with you  
I don't need an excuse  
to be the woman in me  
It's so hard to believe that I'm feeling so free to be the  
woman in me  
It's so easy with you  
I don't need an excuse to be the woman in me  
It's so hard to believe that I'm feeling so free to be the  
woman in me...
