What would I have to do
To get you to notice me, too
Do I stand in line
One of a million admiring eyes
Walk a tightrope 'way up high
Write your name across the sky

CHORUS:

I'm going crazy just to let you know
You'd be amazed how much I love you so, baby
When I get my hands on you I won't let go
This time I know it's for real

Should I write or call your home
Shout it out with a megaphone
Radio, TV news,
Got to find a way to get the message to you
Say "I love you" with a neon sign
Anything to make you mine

I'm going crazy just to let you know
If I wait around too long I may explode, oh baby
I've been around the block enough to know
This time I know it's for real

Walk a tightrope 'way up high
Write your name across the sky

CHORUS

I'm going crazy just to let you know
If I wait around too long I may explode, oh baby
I've been around the block enough to know This time I
know it's for real
