(Talk)

You know what ?

I think I'm gonna run for President

Well, I think I'm just gonna run

I think I'll run for President

(Chorus) :

(What it you want ? (x2)

Everybody wants somebody sometime (x2)

(Jam)

You say, you say, you say you want love

You say, you say, you say you want me

You say, you say, you say you want money

You say, you say, you want to be free

(Talk)

If I was President,

You know what I'd do ?

I'd say all the people

What would I do for you ?

What do you want from me ?

(Talk) :

Is it money ?

Yeahhhhhh

Is it power ?

Yeahhhhhh

What about love ?

Oooooohhhh

A new car ?

Yeahhhhhh

(Talk) :

You know if I was President

I'd ask all the people what they want

I'd try to find out what the people want

Everybody needs somebody sometime

If you think you can get it for nothing

Well, baby you're mistaken

'Cause in this whole life

You can't get something for nothin', no, no You can't

get something for nothin'
