THERE'S A GOLDMINE IN THE SKY  
Horace Heidt

There's a gold mine in the sky far away  
We will find it, you and I some sweet day  
There'll be clover just for you down the line  
Where the skies are always blue, pal of mine  
Take your time, ole mule  
I know you're growing lame  
But you'll pasture in the stars,  
When we strike that claim  
And we'll set up there and watch  
The world roll by  
When we find that long lost gold mine  
In the sky ,far away, far away we will find that  
Long lost gold mine some sweet day  
And we'll say hello to friends who said goodbye  
When we find that long lost gold mine  
In the sky, far away, far away
