Do you think I'm such a fool  
To believe everything you say is true  
That just goes to show  
That you really don't know

And while you're out painting the town  
Do you think I'm home just sitting around  
Waiting on you  
Now who's really the fool

When I first found out I hurt all over  
I felt so left out till I got to know her  
So I tried the way that she got over  
And I became just like her  
So don't be surprised to find

That the angel in your arms this morning  
Is gonna be the devil in someone else's arms tonight  
Yes, the angel in your arms this morning  
Is gonna be the devil in someone else's arms tonight

Why'd you slip around secretly  
If you were tired of loving me  
Why'd you keep holding on  
When love was already gone

The times you said you weren't feeling well  
Did you think I couldn't tell  
You'd been with someone else  
You were only kidding yourself

When I first found out I hurt all over  
I felt so left out till I got to know her  
So I tried the way that she got over  
And I became just like her so don't be surprised to find

That the angel in your arms this morning  
Is gonna be the devil in someone else's arms tonight  
Yes, the angel in your arms this morning  
Is gonna be the devil in someone else's arms tonight
