[Busta Rhymes speaking]

Yeah

Shorty I know what you need

I got everything you need

I promise I ain't gonna hold out either

I'ma give it all to you baby

It's on, bust it

[Chorus: 1- Busta Rhymes 2- Mariah Carey]

1- Baby if you give it to me

I'll give it to you

I know what you want

You know I got it

Baby if you give it to me

I'll give it to you

I know what you want

You know I got it

2- Baby if you give it to me

I'll give it to you

I know what you want

You know I got it

Baby if you give it to me

I'll give it to you

I know what you want

You know I got it

[Verse 1: Spliff Star]

We been together for a few years

Shared a few tears

Called each other nicknames

Like Sugar Plum and Poo Bear

I'm always on the road

I'm hardly ever home

Always busy this busy that

Can't talk on the phone

I know you aggravated

Walk around frustrated

Ya patience gettin' short

How long can you tolerate it

Listen ma I'm just motivated  
I do this for us  
Step on the grind tryin' to elevate it now

[Verse 2: Baby Sham]  
Hey yo to really be honest  
You stuck with me through my whole struggle  
Can't express the words  
How much the kid loves ya  
I'ma stand as a man never above ya  
I can tell that you different from most  
Slightly approach you  
And that ill shit about it  
We gon' sex every day  
But when we sex we tease  
In a passionate way  
I love the way you touch it  
Those little elaborate ways  
Got the guard feelin' released  
To relax for the day  
It's on you ma

[Chorus 1- Nusta Rhymes 2- Mariah Carey]

[Verse 3: Busta Rhymes]  
Shh, mami listen  
I feel ya love for me baby  
And how it move through you  
I been longin' for the moment  
To talk the truth to you  
Listen, I'm never home  
I always get up and go  
Puttin' you through the unnecessary rigga-ma-ro  
I never meant to put a thousand pounds  
Of stress on ya head  
I love the way we sleep  
And always cuddle in bed  
Baby, I stay embracin' ya patience  
Sheddin' ya tears with me  
I ask you my mami  
Please continue to bear with me

[Verse 4: Rah Digga]  
We started out broke  
Constantly on a roll  
Cuttin' up in the streets like we would never get old  
Went from Lucy's and buses to fifty cent sodas  
And Novas to Hondas to Lexus to Rovers  
Mad years passed  
Still got each other back  
Word is bond never screw none of these industry cats

We like Scull and Mulder  
Walkin' shoulder to shoulder  
Milkin' this game watchin' our seeds gettin' older

[Chorus 1- Nusta Rhymes 2- Mariah Carey]

[Verse 5: Busta Rhymes]  
Yes you know I'll die for you  
And ya know I'll ride with you  
I will always try with you  
And give ya my love and cry with you

[Verser 6: Mariah Carey]  
I will climb a mountain high  
Until I was up to touch the sky  
So baby come and get more close to me  
This is where your love is supposed to be

[Verse 7 : Rampage]  
I pull up to the house in a yellow Lamborghini  
It's been a few months in PA you haven't seen me  
Ya lookin' good in that Gucci bikini  
38 carats ya ring lookin' freezy  
No matter what I do in the world you never leave me  
Fall back ma I'll make ya lifestyle easy  
I appreciate the things ya do to please me  
Lookin' at my daughter you'll never do me greasy

[Chorus 1- Nusta Rhymes 2- Mariah Carey]

[Busta Rhymes speaking with Mariah ad-libs]

Ah-ha I knew you was gon' give me that high note
