I hear your voice on the wind  
And I hear you call out my name

Listen my child you say to me  
I am the voice of your history  
Be not afraid come follow me  
Answer my call and I'll set you free

I am the voice in the wind and the pouring rain  
I am the voice of your hunger and pain  
I am the voice that always is calling you  
I am the voice and I will remain

I am the voice in the fields when the Summer's gone  
The dance of the leaves when the Autumn winds blow  
Never do I sleep throughout all the cold Winter long  
I am the force that in Springtime will grow

I am the voice of the past that will always be  
Filled with my sorrows and blood in my fields  
I am the voice of the future  
Bring me your peace, bring me your peace  
And my wounds they will heal

I am the voice in the wind and the pouring rain  
I am the voice of your hunger and pain  
I am the voice that always is calling you  
I am the voice

I am the voice of the past that will always be  
I am the voice of your hunger and pain  
I am the voice of the future  
I am the voice  
I am the voice  
I am the voice  
I am the voice
