

The Summer Obsession

"8 Am"

There in the summer of my new obsession
All of my dreams started in the depression
Eight in the morning and I got your letter
Sealed with a kiss
P.S things will get better

And I never say no to you
And I never say no to you

Get me up early and so motivated
(You say... will be alright)
Life as we know it is so overrated
You are the best thing that I've never needed
(You say... will be alright)
Safe in this world that is restless and greedy

And I never say no to you
(I would never say)
And I never say no to you
(Never say, never say no)

You say everything
(You say... will be alright)
Everything will be alright
You say everything will be alright
(You say... will be alright)

Come to my rescue whenever I call
Knock on my door if ever I fall
Come to my rescue whenever I call
(Say you will, say you will, say you will, say you will)
Knock on my door if ever I fall
(Just say you will, say you will, say)

You say everything
(You say... will be alright)
Everything will be alright
You say everything will be alright
(You say... will be alright)

Will be alright
(And I'd never say no to you)

(And I'd never say no to you)
(Say you will, say)
Will be alright
(And I'd never say no to you)
(Come to my rescue whenever I call)
(And I'd never say no to you)
Will be alright
