Don't need no cash  
We can make a dash at the street  
It's always been, it's always been you and me  
Baby, it's cool  
You suck at school anyway  
So pack it up, let's run away, run away  
I know them bruises ain't from fallin' down  
They seem to show when your drunk dad's around  
We can go whenever you let go  
Whenever you let go  
Do you remember?  
We said we'd run  
Away together  
Holding on to one another  
I'll steal a car  
Steal a credit cards  
We'll run forever  
Holding on to one another

This is the day  
And tonight I'll be there  
You know the time, you know the time don't be scared  
Get all your CDs  
Get all your posters  
Get what you need from their wallets and their purses

I know them bruises ain't from fallin' down  
They seem to show when your drunk dad's around  
We can go whenever you let go  
Whenever you let go

Do you remember?  
We said we'd run  
Away together  
Holding on to one another  
I'll steal a car  
Steal a credit cards  
We'll run forever  
Holding on to one another

And when we're all alone  
With no one there to bother

/Tell the truth/  
I'll treat you like a queen  
Forget about your father  
There's no need to justify  
You living your whole life  
/tell the truth/  
In failure and pain

I know them bruises ain't from fallin' down  
They seem to show when your drunk dad's around  
We can go whenever you let go  
Whenever you let go!

chorus

Do you remember?  
/im here to save you/  
Do you remember?  
/im here to save you/  
Do you remember?  
/im here to save you from falling down/  
Do you remember?  
Do you remember...
