I don't care  
What we do  
Where we go  
How we get there

We can drive  
We can walk  
We can fly  
We can sit here

Take your time  
I'll be fine  
Nevermind me  
I'm alright

'Cause tonight  
I'm down  
For whatever  
Tonight  
I'm down  
For whatever

Got no flow  
I'm so broke  
Finding change between couches  
Up in smoke  
All my plans  
Got my hands in my pocket

Take your time  
I'll be fine  
Nevermind me  
I'm all right  
(I'm down)

'Cause tonight  
I'm down  
For whatever  
Tonight  
I'm down  
For whatever

A1A bust a left  
Drive the beach when it gets late  
Moonlit night  
Summer skies  
We align with the ocean spray

'Cause tonight  
I'm down  
For whatever  
Tonight  
I'm down  
For whatever

I can do anything I want  
Tonight I'm down for whatever  
(I'm down)

I can do anything I want  
I'm down  
For whatever  
Tonight  
I'm down  
For whatever  
Tonight...
