The sun is going down on this island i've found  
she is a girl surrounded by deadly seas  
and I can sense in her eyes she is nothing but lies  
and I beleived it was paradise.

And I'm such a fool I don't have a clue...  
Why I dive in too deep,  
when the water is over my head  
I dive in too deep when the water is over my head

Now I'm on my back soaked into the shore  
all salty and dehydrated  
I can see the irony, I beleive it's killing me  
I don't need another thing to sink me.

And I'm such a fool(I'm such a fool)  
I don't have a clue..  
Why I dive in too deep,  
when the water is over my head  
I dive in too deep when the water is over my head

I can see the irony  
I beleive it's killing me  
I'm sinking, I'm sinking

I can see the irony  
I beleive it's killing me  
I'm sinking, I'm sinking

And I'm such a fool  
I don't have a clue..  
Why I dive in too deep,  
go!

Over my head  
Over my head  
I dive in too deep  
when the water is over my head  
I dive in too deep  
when the water is over my head

When the water is over my head  
When the water is over my head
