Saawli si raat ho
khamoshi ka saath ho,
bin kahe bin sune, baat ho teri meri
neend jab ho laapata, udasiyan zara hata
khwabon ki razai mein, raat ho teri meri..

jhilmil taaron si aankhein teri
khar khar paani ki jheelen bhare
hardam yoon hi tu hansti rahe
har pal hai dil mein khwahishen
khamoshi ki loriyaan, sun to raat so gayi

bin kahe bin sune, baat ho teri meri
saawali si raat ho
khamoshi ka saath ho,
bin kahe bin sune, baat ho teri meri..

barfi ke tukde sa, chanda dekho aadha hai
dheere dheere chakhna zara,
hansne rulane ka aadha pauna vaada hai
kankhi se takna zara
ye jo lamhe lamhon ki behti nadi mein, bheeg loon,
ye jo aankhen hain aankhon ki gumsum zaban ko main seekh loon,
haan seekh loon.
ankahee si guftagu,
ansunee si justajoo..
bin kahe bin sune, apni baat ho gayi

saanwli si raat ho
khamoshi ka saath ho,
bin kahe bin sune, baat ho teri meri
