I never danced in the spotlight  
Because, you know, I was way to shy  
Wanted to be like the girls on the videos  
But I was never fly  
That you found me, was a miracle  
Because I thought I was invisible  
But look at me now, getting crazy and loud  
You make me feel like a rock star, baby  
Every time you look at me  
Like a diva from a wild dream, only this dream is real  
You make me feel like a rock star, baby (a rock star)  
Like a rock star  
You talk about your metamorphosis  
I'm a different girl  
Yeah, you could give me a little more of this  
You're burning up my world  
This is all so unbelievable  
That I know that I am beautiful  
Now is my time, I'm gonna shine (woo!)  
You make me feel like a rock star, baby  
Every time you look at me  
Like a diva from a wild dream, only this dream is real  
You make me feel like a rock star, baby (a rock star)  
Like a rock star  
No entourage, no limousine  
No headshot on a magazine  
But if you want, just you can have  
My tattoo autograph  
You make me feel like a rock star, baby  
Every time you look at me  
Like a diva from a wild dream, only this dream is real  
You make me feel like a rock star, baby (a rock star)  
Like a rock star  
Ooh  
You make me feel like a rock star, baby  
Every time you look at me  
(You make me feel like a rock star)  
You make me feel like a rock star, baby  
Everytime you look at me (yeah, you make me feel,  
ooh)  
Like a rock star  
\*laugh\*
