All at once,
I finally took a moment and I'm realizing that
You're not coming back
And it finally hit me all at once
All at once,
I started counting teardrops and at least a million fell
My eyes began to swell,
And all my dreams were shattered all at once
Ever since I met you
You're the only love I've known
And I can't forget you
Though I must face it all alone
All at once, I'm drifting on a lonely sea
Wishing you'd come back to me
And that's all that matters now
All at once, I'm drifting on a lonely sea
Holding on to memories
And it hurts me more than you know
So much more than it shows
All at once
All at once,
I looked around and found that you were with another
love
In someone else's arms,
And all my dreams were shattered, all at once
All at once
The smile that used to greet me brightened someone
else's day
She took your smile away
And left me with just memories, all at once
Ever since I met you
You're the only love I've known
And I can't forget you
Though I must face it all alone
All at once, I'm drifting on a lonely sea
Wishing you'd come back to me
And that's all that matters now
All at once, I'm drifting on a lonely sea
Holding on to memories
And it hurts me more than you know
So much more than it shows

All at once
