I believe the children are our future
Teach them well and let them lead the way
Show them all the beauty they possess inside
Give them a sense of pride to make it easier
Let the children's laughter remind us how we used to
be
Everybody's searching for a hero
People need someone to look up to
I never found anyone who fulfilled my needs
A lonely place to be and so I learned to depend on me

I decided long ago
Never to walk in anyone's shadows
If I fail, If I succeed
At least I lived as I believed
No matter what they take from me
They can't take away my dignity

Chorus:
Because the greatest love of all is happening to me
I've found the greatest love of all inside of me
The greatest love of all is easy to achieve
Learning to love yourself, it is the greatest love of all

I believe the children are our future
Teach them well and let them lead the way
Show them all the beauty they possess inside
Give them a sense of pride to make it easier
Let the children's laughter remind us how we used to
be

I decided long ago
Never to walk in anyone's shadows
If I fail, If I succeed
At least I lived as I believed
No matter what they take from me
They can't take away my dignity

Repeat Chorus

And if by chance that special place

That you've been dreaming of
Leads you to a lonely place
Find your strength in love
