You ain't crazy
I ain't gonna lie anymore
What you're feelin'
there's a reason for
I wanna do right
Oh, I gotta do right

Do I love you?
Oh, you know I've tried
But what you're after
You can't find in my eyes
I wanna do right

Darlin'
Tell the truth
Don't turn away
This is our last chance
To touch each others hearts

Does anything last forever?
I don't know
Maybe we're near the end
Darlin' oh how can we go on together
Now that we've grown apart
Well the only way to start
Is heart to heart

One by one
We're collecting lies
When you can't give love
You give alibis
Now I'm gonna do right
This time I gotta do right

I don't wanna leave
I don't wanna say good-bye
But sooner or latter
There comes a time
When you gotta do right

Darlin'

Tell the truth
Don't turn away
This is our last chance
To touch each others hearts

Does anything last forever?
I don't know
Maybe we're near the end
Darlin' how can we go on together
Now that we've grown apart
Well the only way to start
Is heart to heart

Why are you so torn apart?
I need a little more lovin' in my heart
People say that love will grow
So how was I to know
Love that's come through years and years
Can't find a way back home anymore

(SOLO)

Darlin'
Tell the truth
Don't turn away
This is our last chance
To touch each others hearts

Does anything last forever?
I don't know
But maybe we're near the end
So darlin' oh how can we go on together
Now that we've grown apart
Well the only way to start
Is heart to heart

Does anything last forever?
I don't know
But maybe we're near the end
So darlin' oh how can we go on together
Now that we've grown apart
Well the only way to start
Is heart to heart
