VERSE 1

Think about it

There must be higher love

Down in the heart or

Hidden in the stars above

Without it, life is wasted time

Look inside your heart,

I'll look inside mine

Things look so bad everywhere

In this whole world, what is fair

We will walk the line

And try to see

Falling behind in what could be

CHORUS

Bring me a higher love

Bring me a higher love

Bring me a higher love

Where's that higher love

I keep thinking of

VERSE 2

Worlds are turning

And we're just hanging on
Facing our fear
And standing out there alone
A yearning and it's real to me
There must be someone
Who's feeling for me
Things look so bad everywhere
In this whole world, what is fair
We will walk the line
And try to see
Falling behind in what could be

CHORUS

BRIDGE

I will wait for it
I'm not too late for it
Until then I'll sing my song
To cheer the night along
I could light the night up
With my soul on fire
I could make the sun shine
From pure desire
Let me feel that love come over me
Let me feel how strong it could be

CHORU
