Hoo hoo baby alright yeah  
In a world when dreams are few  
You've got me baby I've got you  
You're the one that makes  
Me feel brand new  
Sometimes love can wear you out  
Chill your soul baby, make you doubt  
That you'll never find  
The one that's true

All of my life I've longed for this  
Someone who makes me happy  
Let's seal this moment with a kiss  
I wanna know and  
Nothing's gonna stop me cuz

Chorus:  
I've been to the bottom  
Now I'm back on top  
When I'm feelin' the rhythm  
As we start to rock  
When ya get down to it  
I belong to you (hoo oh)

Though I'm not afraid  
To let it show  
I'll tell the world  
I want everyone to know  
There's nobody does  
Me like you do (like you do)

All of my love is yours tonight  
I live to make you happy  
Nothin' has ever felt so right  
I want it all and  
Nothin's gonna stop me cuz  
Repeat Chorus

When you touch me tender  
And you reach my soul  
When I start to weaken

And I lose control  
When you get down to it  
I belong to you

Repeat Chorus

Say that you love me boy  
And I'll make it right  
Hoh yeah  
I'll rock your heart and soul  
Till the morning light  
Boy no I will yeah yeah  
Hoo you know I belong to you  
You know you belong to me

All of my love is yours tonight  
I live to make you happy  
Nothin' has ever felt so right  
I want it all and  
Nothin's gonna stop me cuz

Repeat Chorus

I belong to you,  
You belong to me  
I belong to you,  
You belong to me
