Where do I go?  
When there's nobody else to turn to  
Who do I talk to?  
When nobody wants to listen  
Who do I lean on? Oh  
When there is no foundation stable  
I go to the rock  
I know he is able, I go to the rock  
Chorus:  
I go to the rock of my salvation  
I go to the stone that the builders rejected  
I run to the mountain  
And the mountain he stands by me  
When the Earth all around me is sinking sand  
On Christ the solid rock I stand  
When I need a shelter I go to the rock

Where do I go, where do I go  
When the storms of life are threatening  
Who do I turn to when those winds of sorrow blow  
And is there a refuge in the time of tribulation  
Go to the rock, I know he is able  
I go to the rock

Repeat Chorus (2X)

I go the rock when I need a friend  
I can go to the rock  
I go to the rock when I need a shelter  
You can go to the rock  
You can go to the rock  
You can go to the rock  
I can go  
I go to the rock  
I can go to the rock  
I can go to the rock  
I can go, I can go to the rock  
I can go when I need some shelter  
When I need a friend  
I can go

And when the Earth around me is sinking sand  
On Christ the solid rock I stand I can stand  
When I need a friend  
I go to the rock  
I can go to the rock  
Hey hey hey oh yeah
