The moment I wake up  
Before I put on my make up  
I say a little prayer for you  
While combing my hair now  
And wond'ring what dress to wear now  
I say a little prayer for you

Forever, forever you'll stay in my hear  
And I will love you  
Forever, and ever we never will part  
Oh, how I love you  
Together, together, that's how it must be.  
To live without you  
Would only mean heartache for me

I run for the bus now, dear  
While riding I think of us dear  
I say a little prayer for you  
At work I just take time  
and all through my coffee break time  
I say a little prayer for you

Forever, forever you'll stay in my hear  
And I will love you  
Forever, and ever we never will part  
Oh, how I love you  
Together, together, that's how it must be.  
To live without you  
Would only mean heartache for me

My darling, believe me  
For me there is no one but you  
Please love me too  
I'm in love with you  
Answer my prayer  
Say you love me too
