Oh yeah, allright
Hah yah yeah, listen up
Who's to say it's easy
Sometimes life's not fair
I've heard some say
Just knock the door will open
And when it does
You'll find love standing there
Chorus:
And if it's true I'm knockin'
Come open up the door
My heart's been right here waiting
For someone to adore
Well if it's true, I'm knockin'
Come open up the door
My heart's been right here waiting
For someone to adore
Say if it's true
In sight we have two choices
And it's told me to do or die
And every word he speaks makes me certain
Beyond the door's life's reason why
Repeat Chorus
Knock and the door will open
The door will open
Look and you will find it
Look and you will find it
For certain it's true
For me and for you
When love comes and knocks
Here's the right thing to do
Repeat Chorus
Cmon, knock on the door
It will open, I'm knockin'
Please open up the door yeah
My heart's been right here waiting
Someone to adore
Ask me what I want
Peace of mind
Ask me what I don't
Waste of (my) time

Tell me that it's true
And you will find me knockin'
