Friend I knew when your boys went out to eat
then they hung out, but you came home around three
if six of yall went out, then 4 of you are really cheap
cause only two of you had dinner
I found your credit card receipt

Its not right, but its okay
Im going to make it anyway
pack your bags, up and leave
dont you dare come running back to me
Its not right, but its okay
Im going to make it anyway
close the door behind you
leave your key
Id rather be alone then unhappy yeah uh

Ill pack your bags so you can leave town for a week
yes I am
The phone rings, and then you look at me
(why turn and look at me)
said it was one of your friends
down on 54th street boy
so why did 213, show up on your caller id

Ive been through all this before
dont think about it, dont think about it
think on the door
things are going to change baby
dont stand no chance boy
say yeah yeah yeah yeah yeah
dont mess around
theres no more tears left here for you to see

Was it really worth you going out like that
tell me, ooh
see Im movin on, and I refuse to turn back yeah
see all of the time, I thought I had somebody down for
Whitney
it turns out, you were making a fool of me

Its not right, but its okay

sure nuf okay
Im going to make it anyway
make it anyway
pack your bags, get up and leave
dont you dare, back to me boy
Its not right, its okay
Im gonna, Im gonna
close the door
and leave your key
rather be alone then unhappy

Its not right, its okay
I can pay my own rent
pay my light bill, take care my business
oh, oh, ooooooh
oh, get up and leave yeah, rather be alone then
unhappy (ad lib)
