Huh huh huh yeah
It's the second time around
For you and I boy
And believe me it's confusing me
I'm afraid to say "let's make up" and "All's forgiven"
But somethin' tells me it's heading for heartbreak
So darling please I'm praying that
This time yeah this time will be different
That you and I can share this dream that I visualize
Chorus:
Tell me are you really ready for love boy
Or is it just the lonely talking again
Are you really ready for love boy
Or is it the lonely talking again

Now the time before
When we got together
You promised you'd be forever true to me
But all I got from you
Was lots and lots of talking
Lonely nights filled with misery

So baby please please tell me now
That when I fulfill your needs
You won't up and leave me
Even though you know
I'll let you come back

Repeat Chorus

Really need to know

Repeat Chorus

Tell me now
Wanna know
Really gotta know
Are you ready?
Are you ready
Are you ready?
Tell me are you ready

Are you ready?
Are you ready?
Need to know
Really wanna know
Really wanna know
Really need to know
Are we gonna talk?
Are we gonna talk?
Dont wanna talk no no no no
I need to know
I really wanna know
You tell me now
Are you ready?
No no no Need to know
