I was lost in a lonely world
That seems so full of sorrow full of pain
Searching for that only love
That could bring my empty heart to life again

It was you, you who saved me
Sure as every breath I take
You changed my life in every way
Like a star you shined upon me
For everybody to see,
And right now, right now
I'm living the fantasy
Hopes been reborn in me
I've truly been touched by the light of love
You, you are the guiding light
Thru all my darkest night
Thru you I've been touched by the light of love

Upon my heart, I'll give my all to you
Cause when I lost my faith you kept your trust in me
And I know, that what I feel is real
For the first time in my life,
I am complete

I had searched so long to find you
Until I finally realized
Your love was with me all the time
And your spirit flows right thru me
A better world is open to me
Cause right now, right now

Chorus:

I'm living the fantasy
Hopes been reborn in me
I've truly been touched by the light of love
You, you are the guiding light
Thru all my darkest night
Thru you I've been touched by the light of love

Whitney: You shine the light of love.. you shine the light

of love

(Ad-libs)

I'm living the fantasy
Hopes been reborn in me
I've truly been touched by the light of love
You, you are the guiding light
Thru all my darkest night
Thru you I've been touched by the light of love

Chorus

Heaven knows you opened up my eyes
Because of you I finally realize
I've been touched by the light of love
Now my life is like a fantasy
Wanna share the joy you bring me
I've been touched by the light of love

Chorus repeat
