Who would've thought of it  
That I might feel like this  
Some kind of wonderful  
Is nothing quite comparable  
Nothing about it  
It's all so innocent  
I wasn't looking for it  
Came knocking on my door

I'm trying to do things right  
But I'm about to lose a fight  
Cuz spending time with you  
Well it feels so good  
And that's the truth And everyday with you  
I swear it brings me closer  
To my only reservation  
Is you, my sweet temptation, baby

Chorus:  
(oh oh) All my heart is calling  
I'm falling for you  
(oh oh) All my heart is calling  
I'm falling for you

Who would imagine that  
I'd find my happiness  
Someone I barely know  
I'd like to take it slow

You're so different boy  
You're breaking all my rules  
What is it in your smile  
That makes me feel the way that I do

I'm trying to live my life  
And I'm, I'm trying to live it right  
If I desire you  
Well it ain't because I'm trying to  
But everyday with you  
It brings me closer  
To my only reservation

Is you, my sweet temptation baby

Repeat Chorus Twice

(Substitute "fooling" for "falling" first time (first verse))

Bridge:

I've given it consideration

But it all adds up to you

I won't deny this heart is calling for you baby

I've given it a lot of thought

And it all ends up on you

My sweet temptation

God knows I'm falling for you

Repeat Chorus: (Fade away with "I don't know why boy,

I don't know why baby")
