Missy Elliot, K. Bradshaw, L. Turner
The day you held me in your arms
I still smell the scent of you
On my dress unbelievable
And you was so masculine
The way I felt your chest up next to mine
I fell you in my heart
Now I breathe love
You are so amazing
Unbelievable baby
It's you that make me smile
When everything gets crazy
And you the one I love
No other man can faze me
Cause you're in my heart
I'm in your heart
Every minute, daily
The time you looked into my eyes
I felt like falling in love
And I was mesmerized
Cause it's something you do
That makes me feel thuis way
I can't explain
You're my joy peace and happiness
And you...
You are so amazing
Unbelievable baby
It's you that make me smile
When everything gets crazy
And you the one I love
No other man can faze me
Cause you're in my heart
Every minute, daily
You're the best never ever dream
Dream nobody like you do
Put that on my last time
No one else
Everything 'bout you and our love
You were sent from the sky's above
You are here to res cue
Well now I am free

You are so amazing
Unbelievable baby
It's you that make me smile
When everything gets crazy
And you the one I love
No other man can faze me
Cause you're in my heart
Every minute, daily
