S.Sister It looks that way
S.Sister The way you say
S.Mother She talks as if she knows
Brandy I do not know that this is so
I only just suppose
I suppose it when you come into the ballroom
and the room its self is floating in the air
and if your suddenly confronted by his hinece
you are frozen like a statue on the stairs
you are afraid he'll hear the way your heart is
beating and you know you must'nt make the first
advance you are seriously thinking of retreating
then you see to hear him asking you to dance.

A lovely night,A lovely night,A finer night you
know you'll never see.
you mat your prince your charming prince as
charming as a prince will ever be The stars in a
hazy heaven tremiable above you while he's
whispering darling I LOVE YOU you say good bye a
way you fly but on your lips you keep a kiss all
your life you'll dream of this lovely, lovely
night.

[Then the stepsisters and stepmother sings]
