A few stolen moments is all that we share
You've got your family and they need you there
Though I try to resist being last on your list
But no other man's gonna do
So I'm saving all my love for you
It's not very easy living alone
My friends try and tell me
Find a man of my own
But each time I try I just break down and cry
Cuz I'd rather be home feeling blue
So I'm saving all my love for you

You used to tell me we'd run away together
Love gives you the right to be free
You said, be patient, just wait a little longer
But that's just an old fantasy

I've got to get ready
Just a few minutes more
Gonna get that old feeling
when you walk through that door
Cuz tonight is the night
for feeling alright
We'll be making love the whole night through
So I'm saving all my love
Yes I'm saving all my love
Yes I'm saving all my love for you

No other woman is gonna love you more
Cuz tonight is the night
That I'm feeling alright
We'll be making love the whole night through
So I'm saving all my love
Yeah I'm saving all my love
Darlin', yes, I'm saving all my love for you
For you
For you
For you
