Remember when we hold on in the rain
The nights we almost lost it once again
We can take the night into tomorrow
Living on feelings
Touching you I feel it again
Chorus:
Didn't we almost have it all
When love was all we had worth giving
The ride with you was worth the fall my friend
Loving you makes life worth living
Didn't we almost have it all
The nights we held on till the morning
You know you'll never love that way again
Didn't we almost have it all

The way you used to touch me felt so fine
We kept our hearts together down the line
A moment in the soul can last forever
Comfort and keep us
Help me bring the feeling back again

Repeat Chorus

Didn't we have the best of times
When love was young and new
Couldn't we reach inside and find
The world of me and you
We'll never lose it again
Cause once you know what love is
You'll never let it end

Repeat Chorus

Didnt' we almost have it all
