Huh, huh Ooh Im just a fool for you
Huh Huh Huh Huh
I cant get you off my mind
No matter what I do
Im wishing you were here with me
Makes no difference (when it is)
I only think of you
And Im living out my fantasy
Late at night I run to you
Being such a lovesick fool
It might be pouring rain (It will be pouring)
Its still the same
Nothings changed
All in all I feel no shame
Im just your fool insane (Im just a fool)

Chorus: I keep thinking about you baby
Oh so tell me whatcha gonna do
Got me thinking about you
All I wanna do
Like a river of wine
Intoxicate my mind
Im thinking about you
Thats what I wanna do
Pick me up, lets go down
Im thinking about it too (yeah yeah yeah yeah yeah
yeah)
Im thinking about you
Got me thinking about you
Im thinking about it too

Make believing is a game
Thats not for me to play
Dont you need me just like I need you
Theres no reason
Just my heart that makes me feel this way
And I hope you feel the same way too

Late at night I run to you
Being such a lovesick fool
It might be pouring rain (It will be pouring)

Its still the same
Nothings changed
All in all I feel no shame
Im just your fool insane (Im just a fool)

Repeat Chorus

It might be pouring rain
Like a fool insane
Im just a lovesick fool
I got this thing for you (Im just a Im just a lovesick fool)
Oh Just a fool for you!

Repeat Chorus
