Who do you love do you love love love
Who do you love do you love
I got a feeling you're the boy for me
I bet your love can set me free (heh)
I feel a love thing going
It started weak then got oh so strong
Strong enough to rock the world
Straight up I wanna be your girl
So I keep praying to the stars above
That it's me who you're gonna love

Am I the one (yeah)
Is she the one
Who do you love

Chorus:
(Who) Who do you love
I wanna know
Could it be me
Won't you tell me so
Who do you love
You've got to say
Don't wanna go
Why can't I stay

I keep pushing so you'll be mine
We'll be loving baby over time (heh)
My sensitivity gets so high
It keeps me dreaming that you're my guy

Then I have to stop and check myself
Could it be that you love someone else
I can't give in to jealousy
So touch me now if you love me Am I the one (hahaha
come on now)
Is she the one (make up your mind)
Who do you love
Am I the one (who do you love huh)
Is she the one (ow)
Who do you love
Am I the one (am I the one)

Is she the one (Is she the one)
Who do you love
Am I the one (I'm waiting)
Is she the one (I'm waiting hahaha)
Who do you love

Repeat Chorus
