We all wanna make a place in this world
We all want our voices to be heard
Every one wants a chance to be someone
We all have dreams we need to dream
Sweeter than any star you can reach
Cuz when you reach and find, you've found someone
You'll hold this world's most priceless thing
The greatest gift this life can bring
Is when you look back and know
You were loved

Chorus:

You were loved by someone
Touched by someone
Held by someone
Meant something to someone
Loved somebody
Touched somebody's heart
Along the way
You can look back and say (mm)
You were loved (yes you were)

You can have diamonds in your hands
Have all the riches in the land
But, without love,
You don't really have a thing, no no
When somebody cares that you're alive
When somebody trusts you with their life
That's when you'll know (huh)
That you have all you need
You'll hold this world's most priceless gift
The finest treasure that there is
You can look back and know
You were loved

Chorus:

You were loved by someone
Touched by someone
Held by someone
Meant something to someone
Loved somebody
Touched somebody's heart

Along the way
You can look back and say (mm)
Yes, You were loved (yes you were now)

Bridge:
So many roads that you can take
Whatever way you go
Don't take that road alone
It's better you should know

Chorus:
You were loved by someone
Touched by someone
Held by someone
Meant something to someone
Loved somebody
Touched somebody's heart
Along the way
You can look back and say (mm)
You did okay
You were loved

So remember to tell that special one (yeah, mm)
You were loved
You were loved
You were loved
You were loved
Hey hey hey hey hey
