D. Warren

If there's a time when the tears should fill your eyes  
And you can't see past the shadows  
To the sun on the other side  
Don't despair, because there will always be someone  
there

Don't lose faith, love won't let you lose your way

Chorus:

Because You, you'll never stand alone

I'll be standing by

I'll keep you from the cold

I'll hold you when you cry

I'll be there to be strong

When you can't find the strength inside

And you, you'll always have a home

In these arms of mine

You'll never stand alone

Love is standing by

If there's a day when the rain should find your heart

And you're cold and tired and lonely

And this world has you in the dark

Don't be scared, you can just reach for me and I'll be  
there

Don't lose hope, love will see you through you know

Chorus

Bridge:

Standing by to lift you above all the hurt and pain

Standing by to carry you through all the tears and rain

Reach for me, (I'll be with you) Reach for me,

(I'll see you through) See, I'll be the one to hold you

The one to show you that

Chorus (Repeat to fade)
