No matter where we come from
We can be ourselves and still be...one!

Chorus:
Amigas Cheetahs
Friends for life
The rhythm and each other
That's what keeps us tight
Amigas Cheetahs
Livin' the dream
Nothin' is ever gonna come between
Amigas

What could be any better than
Knowin' someone will be there when
You gotta pour your heart out
Tell your secrets to

Someone who lets you be yourself
There when you need help
They've got your back win or lose

Chorus

Kickin' it with 'em just for fun
Or when you need the 411
Someone who gives a shout out
When you lose your faith

Just when you think nobody can
Ever understand
They're right here to show you the way

Show you the way

Aah, aah, aah, aah
Aah, aah, oooooohhhh

Chorus

Ya que stamos juntas

Estamos en un mundo
Donde somos uno por la musica

If we just believe it
You know we can be it
Nothin' can stand in our way
Stand in our way

Chorus (Repeat 4x and fade)
