Follow me into my world
Let your worries fade with every step you take
Baby, whatcha' waiting for
Let the tango take control
Feel the music inside you soul, whoa
My hand is out, just grab a hold

Watch time fade away
My arms will keep you safe
It's just you and me
Dancing in this dream

Chorus:

Whatever you do, don't wake me up
I know this feeling's real, I won't let it stop, no
Don't be afraid, take my hand
Forget the world
Will you dance, dance with me
Pudemos bailar eternamente
Trust in me, take a chance
Feel the Tango
When you dance, dance with me
Pudemos bailar eternamente

Now I have you next to me
Everything is how it should be
Baby, don't fight the feeling
We're floating on the clouds
If I could, I'd never come back down, no, no
Baby just keep on groovin', groovin'

As time fades away
My arms will keep you safe
It's just you and me
Dancing in this dream

Chorus

Dance with me
(I'm dancing with you)
For this moment in time

(My dreams have come true)
My darling, just dance with me
If only for one night

End Chorus
