(Introduction)

You don't have to be like anybody else (No)
So what's the problem why can't you be like yourself
(Oh)
Your individual, you might as well let it show
(Oh, oh, oh)
Because you're beautiful just the way that you are
Not everybody has to bling-bling superstar
Holla back if you're feeling what I'm feeling now
(Oh, oh, oh)

Chorus #1:

You got to do your own thing (Oh)
Don't be just the same (Oh)
Get the party jumping (Oh)
The way you like (Oh)
You got to do your own thing (Oh)
And dance your own way (Oh)
Go a little crazy (Oh)
Cuz you got the right (Oh)

Go home and change your clothes 25 times a day
Tell the haters not to come around they bother me
Know that it's your world, go ahead live it up
(Oh, oh, oh)
Some call you crazy well I guess they'll never
understand
I change my hair, my clothes, my style because I know I
can
Now get out on the dance floor, and dance

Chorus #2:

You got to do your own thing (Oh)
Don't be just the same
Get the party jumping (Oh)
The way you like (Oh)
You got to do your own thing (Oh)
And dance your own way (Oh)
You got something
That makes you rise

Up to the top of the world (Oh)
You got to know what you like (Oh)
All my fellas and my girls (Oh)
Show who you are tonight (Oh)
You got to do your own thing (Oh)
You got to rock your own style (Oh)
You got to live for yourself (Oh)
Every once in a while (Oh)

Do your own thing
And live your own way
The world is all yours
Go out and get some more
Do your own thing
And live your own way
The world is waiting
Go out and take what's yours

Chorus #2

You got to do your own thing
