Where has the starlight gone?
Dark is the day
How can I find my way home?

Home is an empty dream
Lost to the night
Father, I feel so alone

You promised you'd be there
Whenever I needed you
Whenever I call your name
You're not anywhere

I'm trying to hold on
Just waiting to hear your voice
One word, just a word will do
To end this nightmare

When will the dawning break
Oh, endless night
Sleepless I dream of the day

When you were by my side
Guiding my path
Father, I can't find the way

You promised you'd be there
Whenever I needed you
Whenever I call your name
You're not anywhere

I'm trying to hold on
Just waiting to hear your voice
One word, just a word will do
To end this nightmare

I know that the night must end
And that the sun will rise
And that the sun will rise

I know that the clouds must clear

And that the sun will shine
And that the sun will shine

I know that the night must end
And that the sun will rise
And that the sun will rise

I know that the clouds must clear
And that the sun will shine
And that the sun will shine

(I know)
I know that the night must end
(Yes, I know)
And that the sun will rise
(The sun will rise)
And that the sun will rise
(Yes, I know)

I know that the clouds must clear
(I know)
And that the sun will shine
(The clouds must clear)
And that the sun will shine

I know that the night must end
(I know that the night must end)
And that the sun will rise
(I know that the sun will rise)
And that the sun will rise
(And I'll hear your voice deep inside)

I know that the clouds must clear
And that the sun will shine
And that the sun will shine
(I know that the night must end)

I know that the night must end
(And that the clouds must clear)
And that the sun will rise
(The sun)
And that the sun will rise
(The sun will rise)

I know that the clouds must clear
(The sun)
And that the sun will shine
(The sun will rise)
