Four voices perfectly blending
Right from the start
Ooooooh, I'm afraid that's ending
And my world is fallin' apart

It's over
And I feel so alone
This is a sadness I've never known
How did I let the sweetest of dreams slip away
And I'm afraid the hurt is here to stay

Promises made, not meant to be broken
From a long time ago
Ooooooh, so many words still unspoken
Tell me how was I to know
(It's over)

It's over
Never thought it would be
Why in the world did this happen to me
And I'm afraid the hurt is here to stay

I go round and round
And round in my head
Wanting to take back
Whatever I said

No one was right
We all made mistakes
I'm ready to do whatever it takes
Please...
Don't let it be...

Over!
No, this is not how it ends
I need my sisters, my family, my friends
Don't wanna let
The sweetest of dreams slip away
'Cause it's over
And the hurt is here to stay
Don't let it be over

Please...
Don't let it be over

Please, don't let it be over
