I remember last Christmas Eve when i woke up i cant
believe
Something happened that I couldn't believe i saw santa
looking at me
I went for a walk while the snow came down boy-o-boy
And when it stopped, I was in a different town
And he said 'have no fear, you're not lost, you're here'

Walkin' this Christmas
Down Santa Claus Lane
No need to wonder
No need explain
Just have some faith in what you see
You're right here where you wanna be
Walkin' this Christmas down Santa Claus Lane.
Down Santa Claus lane

Elves were standing in the street
Snowmen and reindeer came out to greet
Silver bells chimed from far away
As Santa rode by in an open sleigh
And he told me have no fear
You're not lost, you're here

Walkin' this Christmas
Down Santa Claus Lane
No need to wonder
No need to explian
Just have some faith in what you see
You're right here where you wanna be
Walkin' this Christmas down Santa Claus Lane
Down Santa Claus Lane

I don't know how
I don't know when
But one day I'll be back again

And he told me have no fear
You're not lost, you're here....

Walkin' this Christmas down Santa Claus Lane

No need to wonder
No need to explain
Just have some faith in what you see
You're right here where you want to be
Walkin' this Christmas down Santa Claus Lane
(santa claus lane)
down santa claus lane
down santa claus lane
(santa claus lane)
down santa claus lane
