And I don't know where I'm going
And I can see outside it's snowing
I shouldn't be alone on Christmas
I shouldn't be alone on Christmas
Your home all alone
And it just aint right
I'll try my best to get home tonight
You shouldn't be alone on Christmas
You shouldn't be alone on Christmas
Well jingle bell around the clock
And will never have to stop
And I'll sing this song till the morning comes
Till the world falls in love
And we've got time
And we feel aright
I'll say hello to Christmas
From out here on the road (I'm coming home)
And I say hello to Christmas darling
If only I were home (if only I were home)
Girl you're an angel to me
And I feel it in the air Christmas time
Christmas time is here
I've been away from home for far to long
Writing you this song
Cause you shouldn't be alone on Christmas
You shouldn't be alone on Christmas
I'll meet you underneath the Christmas tree,
Cause I wont be alone Christmas
Won't be alone this Christmas
Well jingle bell around the clock
And will never have to stop
And I'll sing this song till the morning comes
Till the world falls in love
And cause we've got time
And we feel all right
And I'll say hello to Christmas
From out here on the road (I'm coming home)
And I say hello to Christmas darling
If only I were home (if only I were home)
Girl you're an angel to me
And I feel it in the air
Christmas time is here

Lights are shining
People smiling
There's laughter everywhere
I'm feeling you
Do you feel me too
Love is in the air
Love is in the air
And I'll say hello to Christmas
From out here on the road
And I say hello to Christmas darling
And I'm coming home
And I'll say hello to Christmas
From out here on the road (I'm coming home)
And I say hello to Christmas darling
If only I were home (if only I were home)
Hey girl your an angel to me
And I feel it in the air
Christmas time is here
