Hanging on a tightrope swinging ten stories high
Doing my best to not look down
Feeling like a ghost in the middle of a crowded room
I'm alone, a stranger in my own town

Oh who will be the one to save me
Fix me up to help me come around
I'm falling now

Don't let me go
Don't let me go
Is anybody going to lift me up?
When you gonna come lift me up?
I'm outta my head
Flat on my face
Is anybody here listening?
When you gonna come let me in?
Don't let me go

Spinning in the back yard where I grew up
Lost a piece of me inside that house
On top of that tree was the top of the world
but now it's gone
Not a root left in the ground

Oh just a memory I'm chasing
Better days but I'm far behind
Am I still alive?

Don't let me go
Don't let me go
Is anybody going to lift me up?
When you gonna come lift me up?
I'm outta my head
Flat on my face
Is anybody here listening?

When you gonna come let me in?

Cause' the hardest part is holding on
When everything is come undone
Yeah everybody needs someone

So when ya gonna come lift me up?
When you gonna come lift me up?
Are you gonna come lift me up?
When you gonna come lift me up?
Don't let me go

(Random singing)
Is he ever gone
Will he ever come back
You know I'm gone
Will he ever come back
Is he ever gone
Will he ever come back
Will he ever come back
Will he ever come back

Are you gonna come lift me up?
Are you gonna come lift me up?
Yeah
Don't let me go
Don't let me go
Don't le me go

Is he gone gone
Will he ever come back
gone gone
Will he ever come back
Is he gone gone
Will he ever come back
Will he ever come back
Will he ever come back
