Life goes on  
We got all night  
If you got rock and roll  
You're gonna be alright  
Friday night at the bar  
Where everybody knows my name  
And I don't know what she's doing here  
But I'm glad she came  
From her cowboy boots  
Up to her little black dress  
I need a Jameson shot of confidence  
And I'll let her do the rest  
She's kinda like a scene in a movie  
She says I can't sleep alone  
I really like The Stones and I hate tv  
Well I must confess  
I'm a little obsessed with Dawson's Creek  
Yeah I know what you're thinking  
It's not what it seems  
Can I buy you a drink?

Then she said life goes on  
We got all night  
If you got rock and roll  
You're gonna be alright  
So give me one more drink  
And play my favorite song  
Put a quarter in the jukebox  
And sing along

Last call on the round  
And now I'm seeing stars  
We're invincible  
Don't matter who you are  
Well a tattooed biker  
And the bartender got into a fight  
Then they both sang along  
To a Springsteen song  
And they're alright

Cause life goes on

We got all night  
If you got rock and roll  
You're gonna be alright  
So give me one more drink  
And play my favorite song  
Put a quarter in the jukebox  
And sing along

If you got a drink put it in the air  
here's a toast cause we just don't care  
If you got a voice then sing  
Cause life goes on and on and on [x2]
