I wake up  
Six o'clock in the morning and I hit the road  
I'm coming home for the holidays  
48 states can't stop me  
Can't stop me

(Merry Christmas)  
I'm sitting fireside with my friends tonight  
(Merry Christmas)  
Bring in the new year, everyone's right here

I could be wrapped up in a blanket in the cold  
Put a cactus wrapped in lights on her front door  
I could be on her Christmas list if she wished for me  
(under the tree)  
When she wakes in the morning

(Merry Christmas)  
I'm sitting fireside with my friends tonight  
(Merry Christmas)  
Bring in the new year, everyone's right here

(Merry Christmas)  
I won't be alone I've got love on my side  
(Merry Christmas)  
You won't be alone you're got love on your side

(Merry Christmas)  
I'm sitting fireside with my friends tonight  
(Merry Christmas)  
Bring in the new year everyone's right here

(Merry Christmas)  
I'm sitting fireside with my friends tonight  
(Merry Christmas)  
Bring in the new year everyone's right,  
Bring in the new year everyone's right here
