I see you searching for somebody  
That'll take you out and do you right  
Well come here baby and let Brian show you what it  
feels like  
You know all you gotta do is tell me what you're sippin'  
on  
And I promise that I'm gonna keep it coming all night  
long

Looking in your eyes with you on the other side  
And I think that shorty I got a thing for you  
Doing it on purpose winding and working it  
I can tell by the way you looking at me girl

I wanna make Love In This Club  
(I wanna make love)  
In this club  
I wanna make love in this club  
(Make love)  
In this club, in this club

You got some friends rolling wit you baby then that's  
cool(that's cool, that's cool, that's cool)  
Well you can leave them with my homies let em know  
that I got you  
If you didn't know, you're the only thing that's on my  
mind  
Cause the way I'm staring at you got me want to give it  
to you all night

Looking in your eyes with you on the other side  
I can't take it no more  
Baby I'm coming for you  
Doin' it on purpose winding and working it  
If we close our eyes it could be just me and you

I wanna make love in this club (wanna make love)  
In this club(ohh)  
In this club(oh woah woah)  
I wanna make love in this club(make love, in this club,  
in this club)

Guess again  
I'm what you want, I'm what you need  
You got me trapped, I'll set you free  
Sexually, mentally, physically, emotionally  
I'll be like your medicine, you'll take every dose of me  
It's going down on aisle 3, I'll bag you like some  
groceries  
And every time you think about it you goin' want some  
more of me  
About to hit the club, make a movie yeah rated R  
Pulled up like a trap star,

Have you ever made love to a thug in the club with his  
ice on  
87 jeans and a fresh pair of Nike's on  
On the couch, on the table, on the bar, or on the floor

I wanna make love in this club(wanna make love)  
In this club, (oh woaah)  
In this club, (oh woahhoh)  
I wanna make love in this club(wanna make love)  
In this club, in this club
