You and I fell apart like a rag doll torn at the seams  
Then he came in stitched up the pieces like some kind  
of hero  
I, I bet it was easy to act like a damsel in distress  
I guess you got what you wanted

He'll pick you up just to knock you down,  
One day I'll see you both in hell.  
Is it everything you thought it'd be?  
When he's lying there I bet you think of me.  
I swear he'll only dress you up,  
Go out just to show you off.  
Girl I don't know what you see,  
You're more than just a mannequin to me.

Now you and I are staring at each other from across  
the room  
And there he goes, hanging on tight like the necklace I  
gave you  
I'm moving on, living well is the best revenge.  
Oh is this, is this what you wanted?

He'll pick you up just to knock you down,  
One day I'll see you both in hell.  
Is it everything you thought it'd be?  
When he's lying there I bet you think of me.  
I swear he'll only dress you up,  
Go out just to show you off.  
Girl I don't know what you see,  
You're more than just a mannequin to me.

You and I fell apart like a rag doll torn at the seams  
Then he came in stitched up the pieces like some kind  
of hero.

He'll pick you up just to knock you down,  
One day I'll see you both in hell.  
Is it everything you thought it'd be?  
When he's lying there I bet you think of me.  
I swear he'll only dress you up,  
Go out just to show you off.  
Girl, I don't know what you see,

No girl I don't know what you see.  
You're more than just a mannequin to me.
