[Verse 1:]

It's almost midnight, feeling alright
Raise your glass when times are tough
We ain't got much, but we still got us
We're alive and that's enough
There's something in the air

[Chorus:]

So maybe tonight we'll start all over
Like it's the first day of our lives
Right here and now, no second chances
Maybe we'll finally get it right
Maybe tonight
Maybe tonight

[Verse 2:]

Take this moment, ours to own it
All your friends right by your side
Maybe someday, we'll be somebody
Maybe someday starts tonight
There's something in the air

[Chorus:]

So maybe tonight we'll start all over
Like it's the first day of our lives
Right here and now, no second chances
Maybe we'll finally get it right
Maybe tonight
Maybe tonight
Maybe tonight
Maybe tonight

Na, na, na na na na
Na na na na, na na na
Na na
If you need somebody
Na na na na
Never let you go
Na na na na,
Everything's alright

[Chorus:]

So maybe tonight we'll start all over
Like it's the first day of our lives
Right here and now, no second chances
Maybe we'll finally get it right
Maybe tonight
Maybe tonight
Maybe tonight
Maybe tonight

It's almost midnight, feeling alright
Raise your glass when times are tough
