(originally by Kiss)

You show us everything you've got
You keep on dancin and the room gets hot
You drive us wild, well drive you crazy
You say you wanna go for a spin
The party's just begun, well let you in
You drive us wild, well drive you crazy
You keep on shoutin, you keep on shoutin
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day

You keep on saying you'll be mine for a while
You're lookin fancy and I like your style
You drive us wild, well drive you crazy
You show us everything you've got
Baby, baby that's quite a lot
And you drive us wild, well drive you crazy
You keep on shoutin, you keep on shoutin

I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll
