She's got the rhythm and I can't forget  
She's gonna give in  
We're gonna give it two more years  
And oh my God  
She's got the rhythm  
She's got me waking up  
Come on, come on  
Show me what you got  
I swear, we're gonna tear it up  
Oh yeah, we can leave it all behind cause  
You've got it going on and I've gotta say  
She's got the rhythm and I can't forget  
She's gonna give in  
We're gonna give it two more years  
And oh my God  
She's got the rhythm  
She's got me waking up  
I keep your picture by my bedside  
I'm sleeping all the time  
Just to wake up to you  
Just to wake up to you  
And I'm in love with you  
With everything you do  
You can have the best of me  
Forget what I want  
You're all I need  
You've got it going on and I've gotta say  
She's got the rhythm and I can't forget  
She's gonna give in  
We're gonna give it two more years  
And oh my God  
She's got the rhythm  
She's got me waking up  
She's got the rhythm and I can't forget  
She's gonna give in  
We're gonna give it two more years  
And oh my God  
She's got the rhythm  
She's got me waking up  
She's got the rhythm and I can't forget  
She's gonna give in  
We're gonna give it two more years

And oh my God  
She's got the rhythm  
She's got me waking up
