We used to rule the world.  
Every kiss was an adventure.  
Every night with you  
was like a holiday.  
How we used to fly like two birds of feather,  
making promises we swore we'd never break.

Why did we say goodbye?  
I should have held on tight.  
Let's go back tonight

Yeah! You rocked my world forever.  
I know you still remember how we felt before.  
Yeah- we should be together 'cause nothing could be  
better than the way we  
were.  
Baby, let's go back to the way we were.

We spend the day in bed,  
not thinking bout the future.  
We were so in love but didn't even care.  
I still can't forget the way you danced around my  
kitchen,  
?, in your underwear.

Let's turn back the clock.  
This time we'll take it slow.  
You can stay the night.  
This time i won't let go,  
and when the morning comes,  
we can start all over, over again.

Why did we say goodbye?  
Let's go back tonight.

Yeah! You rocked my world forever.  
I know you still remember how we felt before.  
Yeah- we should be together 'cause nothing could be  
better than the way we  
were.  
Baby, let's go back to the way we were.

Yeah! You rocked my world forever.  
I know you still remember how we felt before.  
Yeah- we should be together 'cause nothing could be  
better than the way we  
were.  
Baby, let's go back to the way we were.
